### IMPORTANT INFORMATION

(ALL VIEWED OUTSIDE)

- Order Forms:** **Seperate Order Form for the following:** Different Colours
- Wide Transom:** All window frames use 69mm Transom as standard. All door Midrail and Sidelight Midrails use 105mm transom as standard. **Hence state clearly any Non Standard Transoms/Midrails using the above table as your guide.**
- Overall Frame Size:** White Frames must not exceed 6 sq metres or over 3500 wide. Woodgrain must not exceed 4 sq metres or over 2500 wide.
- Fire Escape /** When ordering fire escape sashes for new build the minimum size are 650 wide & 1000 high (to comply with the fire Regulations). Any fire escapes ordered below these sizes will be taken automatically as replacement jobs.
- Handles:** All straight handles as standard.
- French Doors:** State **main opener** and if **open in / open out. If the main opener is not ticked it will be taken as RHS.**
- Doors:** All doors with a fan light will be taken as a 2100 high door with the remaining height as your fan light. 180mm is the smallest a fan can be made. A letter box can only be fitted to a side light if it is greater than 420mm. Doors with a side light cannot be made as one unit if an aluminium threshold is required.
- Doors with single/** We recommend these are split & ordered as seperate frames using 3mm jointer.
- Additional Info:** please use the box at the bottom of the order form for any additional info.
- Responsibility:** We cannot accept responsibility for any non compliance with the above points
- Other Info:** The sash widths and drops stated overleaf apply also to tilt & turn windows. Espag locking on windows as standard.

**QUERIES ON ORDERS WILL HOLD UP DELIVERY, SO PLEASE ENSURE THAT THE ABOVE IS ADHERED TO FOR A FAST AND EFFICIENT SERVICE - MAXIMUM 8 T / T PER ORDER**
